Creme de la Crime Books, 2004

Lapdancers at Blackpool's top erotic nightspot are in deadly danger, but the girls know the local police don't care. So vandalism, rape and even suspicious death have gone uninvestigated. But Randall McGonnigal, five foot five of packed muscle and a bodyguard, cares a whole lot. For Randall it's personal: she's determined to track down the pervert who attacked Tori, her exotic dancer lover. Randall and her business partner, private investigator Dean, dig around in Tori's past and soon unearth murky secrets from the club's membership list. As suspects emerge from the woodwork Randall is attacked, and it becomes plain that she's getting close: too close to a powerful opponent with a different kind of lust. As she battles with her own dark side as well as Blackpool's seamy underbelly, Randall lays her life on the line to protect the woman she loves - but will it be enough?
